

Dear Brother Greg, Elders and Brethren,

I want to greet all of you a happy and prosperous new year. Me and my family spent new year's eve at my mother's house. We celebrated the holiday with a simple dinner and talking about all the blessings we received this past few years. We are very thankful that you and the brethren stayed and continue to support my family, my mother, and my sister. We promised as a family that we will look for each other and help one another to improve ourselves as a Christian. Please let me know if you need anything to know or anything that you want me to include in my monthly report.

This December, we started to study about the people in the Old Testament. Children and teens inspired the older members because most of them knew the facts more from the Old Testament (because of the children's bible study). So we decided to have a regular bible study about the Old Testament. Brother Rommel Lagman Jr. helps me to teach about history, so all of us can recall and use the history from the Old Testament to have a stronger faith and better knowledge.

Last December 2, 2021 (Thursday), I taught about life of Job. It was a perfect example for every brethren to hold and trust in our faith and also to grow as a good Christian. December 5, 2021 (Sunday) brother Ramon Monreal, one of our senior brethren, taught about Change. It was an emotional and heart touching topic to everyone. He talk about changing to be a better christian whenever we have the chance. December 9, 2021 (Thursday), Brother John Louie Tacbad, taught about Unwavering Faith. December 12, 2021 (Sunday) brother Rommel Monreal Jr. Taught about Jacob and Esau and brother John Joel Tacbad, preacher from Meyto Calumpit congregation, taught about Obedience. December 16, 2021 (Thursday), I taught about faith of Noah. It was a reminder for everyone to not be afraid to share and show their faith to our God. December 19, 2021 (Sunday) brother Rommel Lagman Jr. Taught about Elijah. December 23, 2021 (Thursday) brother Fritz Punla, taught about Priorities. December 26, 2021 (Sunday) brother Rommel Lagman Jr. And I taught about Shadrach, Meshach and Abednego against King Nebuchadnezzar. December 30, 2021 (Thursday) Brother John Eli Fajardo taught about Fear.

As a whole we always aim to be a better Christian, everyone is encourage to share their idea so we can improve our knowledge, faith and dedication to the Church.

Thank you dear brethren for always being there for us and to your continuous support to us. We always pray for you safety and good health.

Your Brother in Christ,

Jonasam Tacbad
